

Application No.: 10/760,042  
Attorney Docket No. WAY.P.US0091  
Reply to Advisory Action February 10, 2006

#### REMARKS

Responsive to the Advisory Action mailed February 10, 2006, the Applicants have amended the claims to present them in form for allowance.

In the course of preparing the instant Amendment, Applicants have noted several minor typographical and reference errors in the Specification which are corrected hereinabove. Entry of the aforesaid Specification corrections is hereby requested. It is respectfully submitted that this amendment raises no new issues.

Applicants note that claims 12-20 stand allowed. Claims 3-10 were objected to as dependent upon a rejected base claim but indicated to be allowable if rewritten in independent form including all limitations of the base claim, that is claim 1, from which they depend. Accordingly, claim 3 has been written in independent form to include all limitations of claim 1. As a result, it is submitted that independent claim 3 and claims 2 and 4-10 depending therefrom are in condition for allowance.

In view of the above claim amendments and related comments, favorable action on claims 2-10 and 12-20 is earnestly solicited.

In the event that a fee required for the filing of this document is missing or insufficient, the undersigned Attorney hereby authorizes the Commissioner to charge payment of the fees associated with this communication or to credit any overpayment to Deposit Account No. 18-0987. If a withdrawal is required from Deposit Account No. 18-0987, the undersigned Attorney respectfully requests that the Commissioner of Patents and Trademarks cite Attorney Docket Number **WAY.P.US0091** for billing purposes.

If any further attention is required to place these claims in form for allowance, a telephone call to the undersigned Attorney would be greatly appreciated.

Respectfully submitted,
